Wine List

Welcome

The Kefalonian Vineyard

In every great wine region, the story begins with the land. Shaped by the sea, stone, and mountain winds of the Ionian, Kefalonia is home to one of Greece's most distinctive vineyards. Here, Robola and the island's indigenous varieties express authenticity, minerality, and a deep connection to the Kefalonian terroir.

Over the years, the Kefalonian vineyard has gained remarkable recognition through wineries and passionate people who continue to highlight the island's unique identity. At VanDeRossa, our wine list begins with our homeland — the Kefalonian vineyard — and continues through some of the finest wine regions of Greece and around the world. Thank you for sharing with us the flavours, aromas, and hospitality of Kefalonia.
